

PD WORKING PARTY UPDATE NOVEMBER 2021

A very successful PD Helpers training weekend organised by SATS was held Mick Tustain and Lauren Marlow's training ground at Newchapel Surrey at the end of May 2021. It was very well received and attended by 28 people.

There are more PD Helpers weekends planned for the Spring next year in different parts of the Country that will be open to all. Twenty experienced Protected Stewards and PS trainers were invited to contribute to the format for future Protected Stewards Training Weekends. The comments from them will be taken into consideration when planning these additional training weekends.

The plan is to produce a list of PD Helpers, listing what exercises they are competent in and happy to perform at a Trial. This list will then be published and available to to all Trials Mangers running PD Working Trial.

PD demo's are also planned for Spring next year with at least 2 Working Trials Training clubs requesting them.
